

## Media Permission Form

At times rehearsals and concerts will be recorded and/or video taped and used as an educational tool to help the students and the director. Regular TV and radio, public TV and radio, and Howard Co. cable TV have aired rehearsals and concerts of Howard County performing groups as a public service. Also, pictures, video, or sound recordings of rehearsals and department events that may include images of your child will be appearing on the department website from time to time. If this is a concern please contact your child's director. By signing below, you give your permission for your child's image to be used in all of the above applications.
