

Howard High School Instrumental Music *Patron Program*

The mission of the Howard High School Instrumental Program is to foster and maintain an organization dedicated to the music making of music consistent with the highest aspirations of musical art, creating performances and providing educational and training programs at the highest level of excellence. This is accomplished with the continued support of the school administration, Board of Education, students, parents, and the community. **This year we are fortunate to have an anonymous patron willing to match the first \$1,000 for all contributions that are made at the Composer (\$100) and Conductor (\$150) levels of participation.** This means that all contributions at this level are worth double to the program.

The Howard High School Instrumental Music Program depends on the generosity of the community to help provide funds to supplement the HCPSS budget. Please include the amount to be donated with your check made payable to the **Howard High School Band**. Financial Donations will be acknowledged in the concert programs. **Donations are tax deductible. Thank you!**
